405. Based on the cost of some terror-related trials in other countries, it is estimated that about \$10 million could be spent on a trial of the 9/11 terror suspects in federal court, versus about \$1.5 million for a military tribunal. Knowing this, do you agree or disagree that the additional costs for a federal trial vs. a military tribunal are acceptable?

405. Based on the cost of some terror-related trials in other countries, it is estimated that about \$10 million could be spent on a trial of the 9/11 terror suspects in federal court, versus about \$1.5 million for a military tribunal. Knowing this, do you agree or disagree that the additional costs for a federal trial vs. a military tribunal are acceptable?
